CODE OF CONDUCT - SCHOOL TRANSPORT

When travelling between home and school, students using school transport must follow various regulations. We urge parents/guardians to support in maintaining these standards.

- Students must observe the requirement and instructions of the teachers/driver/conductor at all times.
- Students are expected to be at the bus stop five minutes prior to the bus arrival time and remain off the road while waiting for the bus. The bus will not wait for students who arrive late at the stop.
- Students must enter and exit from the bus in a quiet and orderly fashion. They must not run alongside the moving bus, but wait until it has stopped and then board it.
- Students should **remain seated** once in the bus, until it reaches the destination.
- Students must keep arms, legs and heads inside the bus; they must not allow any part of their body to protrude out from the bus window.
- Students must not resort to the use of offensive language, physical abuse, fighting, spitting, placing feet on seats, throwing things in or from bus, or rough play.
- Students must refrain from damaging or vandalizing property in the bus. Damage caused to the bus will result in the parent/guardian being billed for the cost of repairs.
- Students will not be permitted to leave the bus except at their regular stop unless written permission to do otherwise is received by school authorities.
- Students must use the bus to which they are assigned. No change must be made without the permission of the school authorities.
- Students must submit a written request from their parents to go home any other way than their regular bus, subject to the approval of the school authorities.
- All school rules apply within the school bus as well. If students choose to break the rules for bus conduct it will result in disciplinary action which may include **the loss of bus privilege** for stipulated period of time, or on a **permanent basis**.
