MUSIC (VOCAL)

English Song
1. Playing in the Playground
   Having lots of fun
   Playing in the Playground
   Good for everyone.

   Skipping in the Playground
   Playing football too
   Playing with a toy car
   Lots of things to do

   Swinging in the Playground
   going down the slide
   Spinning on a roundabout
   with a dizzy ride.

   Playing in the playground
   Having lots of fun
   Playing in the playground
   Good for everyone

   Clap your hands-2
   For you we sing this song
   Clap your hands-2
   Come and sing along

   Children with a simple song
   and a great big love for you
   Clap your hands-2
   it'll make you happy too
   Clap your hands-2
   Even tap your feet
   Clap your hands-2
   Walking down the street.

   A joyful song, a merry song, a happy melody.
   Clap your hands-2
   It's easy to be free.
3. Jingle bells, Jingle bells
Jingle all the way.
Oh what fun it is to ride in a
One horse open sleigh
Dashing through the snow,
in a one horse open sleigh
Over the fields we go,
Laughing all the way
Bells on bobtail ring
Making spirits bright
What fun it is to ride and sing,
a sleighing song tonight
Jingle bells ........................

ii) Look for the, Bear necessities
The Simple Bear necessities
Forget about your worries and strife
I mean the, Bear necessities
Oh, mother nature's recepies that bring
the bear necessities to life .
I couldn't be fonder, of my big home.
The bees are buzzin in the trees.
To make some honey just for me.
Look for the Bear necessities
The simple Bear necessities
Forget about your worries and strife
I mean the, Bear necessities
It's why a Bear can rest-at ease
With just the Bear necessities of life.
